## Invitation: Managing Anti-Bribery and Corruption Issues - US, EU & Israeli Perspectives

Barnea Jaffa Lande & Co and Bryan Cave Leighton Paisner LLP are delighted to invite you to our upcoming seminar on cross border anticorruption investigations on Monday 29 October 2018 in Tel Aviv, Israel. Our jurisdictional experts will discuss how best to investigate corruption and how to deal with government enforcers from the UK, France, the US and Israel.

Uniquely, the lawyers will present a hypothetical anti-corruption case to the audiences and, using their knowledge of past cases, discuss how one could deal with the situations presented.

If you would like to attend this event, please click the 'Register' button at the bottom of this email.

We very much hope that you will be able to join us.

Kind regards
